

Minneapolis-St. Paul International Airport Police Department

SECURITY BULLETIN #2009-03

DATE: April 15, 2009

SUBJECT: IF YOUR SECURITY BADGE STOPS WORKING

You can NOT piggyback or use someone else's badge to move within a security area even though your badge no longer works.

Police officers are the only persons allowed to assist you through doors when your badge doesn't work.

If your badge stops working while you are in a Sterile or SIDA area, call the Emergency Communications Center for police assistance. Please use the non-emergency number [612-726-5577](tel:612-726-5577) or dial [228](tel:228) from a black courtesy phone. Also notify your supervisor.

Security at MSP is YOUR responsibility!
